

Share the Shore!

DO NOT DISTURB!

Harbor seal pups need time ashore!

Mother seals will not return if people and dogs are nearby.

The best thing to do is to leave the animal alone and
stay 100 yards away!

Please do not feed, attempt to remove, or pour water on animals that are hauled out. Federal marine mammal regulations prohibit harassing seals on shore to reduce human disturbance of important life processes.

If the pup is injured please call:

The Central Puget Sound Marine Mammal Stranding Network

866-ORCANET or 949-233-2822

To report a violation:
